

PROBLEM SOLVERS KNOW FLEXIBILITY

you should too

Meet
THE BENDER™

**THE BENDER™ SAYS
EVERYTHING. 15 ANGLES WITH
THE PUSH OF A BUTTON.**

BEND WITH BETTER TOOLS

Like a roller frame designed specifically for extension poles...

Shortened to optimize balance and leverage

A handle right-sized for extension poles (after all, isn't the pole your handle?)

Rubberlok™ threading reduces slippage

LESS MATERIAL MEANS REDUCED
MANUFACTURING AND DISTRIBUTION COSTS

INSTANTANEOUS FLEXIBILITY FOR A BETTER APPROACH.

...AND A BRUSH HOLDER
THAT SIMPLY MAKES SENSE

Features Rubberlok™ threading

Designed for use with **The Bender™**

WHO WE ARE:

Franklin Tool Company, LLC. is a family-owned business. We represent three generations of experience in the painting industry. From this background we seek to provide tools that offer sensible solutions to everyday problems.

OUR COMMITMENT:

We are committed to providing tools that balance professional-grade quality with everyday affordability. Whether used by a tradesman or a weekend warrior, our tools give the edge needed to get the job done faster, smarter, and the right way, the first time.

HOW TO REACH US:
